

In the RESPONSE TO RESTRICTION REQUIREMENT filed on August 26, 2002, applicants elected claim 28 (Group VII) drawn to a method for enhancing wound healing with an aqueous extract of oak bark without traverse. Accordingly, the claims to the non-elected groups, namely claims 1- 27 were canceled without prejudice as being drawn to a non-elected invention. Applicants specifically preserved the right to pursue the non-elected claims in a related divisional application.

Thus, claim 28 is currently pending in the application. Please amend the above-styled application as follows:

#### IN THE CLAIMS

Please add the following new claims 29-31 as follows:

*B. King*
